SCHOOL INFORMATION AND POLICIES

Our school is a NUT/ALLERGY AWARE facility. The school operates within the Church/Community building, thus there are instances where nuts, sesame and other allergens may be present in the building. During school hours we request that all students refrain from bringing nuts/sesame and other identified allergens into our classroom environment and we will make every effort through our NUT/ALLERGY AWARE program to provide a safe learning environment for all our students.

A safe and secure learning environment. During school hours 8:45 am – 12:45 pm, the second floor of the Church and the lower hall of the Church are designated school spaces. The only individuals permitted to access these spaces during school hours are students, teachers, school administration, and signed-in Student and Parent Volunteers. Students are in class from 9:00 am – 12:30 pm.

Arrival and dismissal routines must be observed. To ensure the safety of our students during school hours, arrival and dismissal procedures must be observed by students and parents. Students are required to arrive between 8:45 am and 9:00 am. After morning prayer at 9:00 am students proceed to class with their teachers. Late students will proceed to class on their own or with a School Staff Member. Parents signing students out early must do so at the “Welcome Table” in the Narthex and await a School Staff Member to bring the student from class. Early dismissals are not permitted between 12:00 noon and 12:30 pm to minimize class disruption as the teacher and students prepare for formal dismissal. Formal dismissal of students at 12:30 pm will be in the Narthex of the Church where parents will await their children.

Parent volunteers must present a Vulnerable Sector Screening in order to qualify. Any parents wishing to offer their services within the school environment and in interactions with students must provide a VSS. You can obtain an introductory letter and instructions as to how to have the Screening performed from the Principal.

Completion of homework is mandatory. While there may be circumstances, occasionally, when a student may not be able to fully complete homework assignments, the completion of homework assigned is necessary for learning success within our school. In cases where homework is consistently incomplete, grading will be reflected accordingly or withheld due to the lack of assessment information available to the teacher.

Electronic device use is not permitted during class time. Students found using electronic devices such as iPods, iPhones, gaming devices etc. during lessons will have the device confiscated. The device will be delivered to the main office and returned at the end of the school day to the parent of the student.

Song and dance performances are part of the curriculum and students are graded on their participation. All students attending the school are expected participate to the best of their ability in performances. All students will be taught these songs and dances during school hours, reducing the need and onus to practice at home.

Speaking parts in poems, plays and speeches will now be considered extra-curricular and will be given only to those students whose parents provide agreement in advance here. In accepting a speaking role, which may have interdependency with other roles, students are required to know their lines at least two weeks prior to the performance. Students participating specifically in plays must attend two half hour dress rehearsals from 12:30 to 1:00 pm on the two Saturdays prior to the performance for costume fitting and staging.

I/we agree for my child to accept a part in the extra-curricular performances of poems/speeches/plays.
